Community Child Protection Team (CCPT)

Surry County CCPT

Phone: (336) 786-1080

Mission Statement: Recognizing that children as bridges to the future will determine the state of society, and being aware that the experiences of each child determines the whole persona of a child, each Community Child Protection Team will identify dynamics within communities that cause children to be at risk of harm. Upon identification, Community Child Protection Teams will advocate for eradication of unsafe environmental conditions. Community Child Protection Teams will work to eliminate unsafe conditions that impact child wellbeing through: community education, team collaboration on strategies to effect change, and recommendation for legislative changes.

An affiliate of Prevent Child Abuse North Carolina. Surry SCAN’s mission is the prevention and treatment of child abuse and neglect. The support of families is the key to prevention.

Surry SCAN Programs:

Family Support Network and Family Resources

Assists families and professionals in locating educational, medical,

and support resources, offers parent-to-parent matching, and support groups. Staff and volunteers advocate for families in transition and for those in crisis.

Eligibility: Parents of special needs children and foster parents

Parents As Teachers

A voluntary early childhood parent education and family support program designed to empower all parents to be their child's first and most influential teacher. Parents As Teachers offers monthly personal home visits, monthly support group meetings (Brunch Bunch) information on development from birth to age 5, and the resources and support for parents to become their child's first and best teacher.

Eligibility: Parents of children ages 3 months to 3 years

Welcome Baby

Provides support, nurturing, and information to Surry County families birthing at Hugh Chatham Hospital, Forsyth Hospital, and other outside referrals. Families receive hospital visitation, home visits, and telephone follow-ups. Parents are offered information on breast feeding, child development, parenting issues, and community resources. Homes visits continue for three months postpartum.

Eligibility: New Parents

Kinship Care

Provides support services to caretakers who are parenting children in the absence of the biological parent(s). Provides information, referral, and support, concentrating on improving parenting skills, safety of child, problem solving skills, and social support network through in-home visits. Monthly educational/support group is offered for caretakers.

Eligibility: Work first relatives that have custody of minors

Parent Aide

Intensive home visitation for families at risk or involved in child abuse and neglect. The Parent Aide provides intervention strategies for families and offers support, education, and role modeling of positive parenting.

Eligibility: Families at risk or involved in child abuse and neglect

Parents and Teens Together

Provides home-based family counseling for at-risk youth ages 7 to 17 and their families. The overall goal is to reduce and prevent delinquency by providing support and education. This program offers 10-week peer and parenting group three times a year.

Eligibility: At-risk youth ages 7 to 17 referred by area agencies

Children's Parents

A 12-week parenting curriculum that includes topics such as: creative discipline, communication, anger management, problem solving, building self-esteem, and family fun. Parents receive a certificate of completion and ongoing support.

Eligibility: Open to any parent, no cost.

Community Awareness

Provides training and workshops to educate the public on child abuse and neglect (parent groups, civic clubs, churches, schools, and groups).
